### Human-centred Design Thinking for Social Innovation and Entrepreneurship

To make 2021 a year to remember, we are inviting you to join a community of human-centred design thinkers. We are ready to find sustainable solutions for social problems, promote social innovation and entrepreneurship.

In our [Human-centred Design Thinking for Social Innovation and Entrepreneurship](#) course you will learn how to think like a designer, using empathy, and creativity for innovative purposes. You will learn how to solve life's most difficult problems, how to lead change through identifying big opportunities to effect social change and social entrepreneurship.
